

10th Dialogue on Water

Governing water sustainably in mining and post-mining landscapes

Draft Agenda

Day 1 – 08. October 2020

13:30 h	Start	
13:30 h	Welcome	
13:45 h	Keynotes	
	Nadja Kunz (Canada Research Chair in Mine Water Management and Stewardship, University of British Columbia)	
	Fabiana Li (Associate Professor, Department of Anthropology, University of Manitoba)	
14:45 h	Presentation Session 1 – Procedures	
14:45-15:15	Denis Lanzasova	Shifting the mindset of the mining industry: Showcase the creation of value from the adoption of high-bar standards in water practices
15:15-15:45	Melissa Quispe Zuniga	Governance, negotiations and mining impacts in the Peruvian Andes
15:45-16:15	Robert Lepenies, J. Nissen, N. Gerner et al.	A new vision of sustainable management in mining and post-mining landscapes
16:15 h	Break	
16:30 h	Presentation Session 2 – Power structures and critical perspectives	
16:30-17:00	Ramón Balcázar	“Lithium Mining is Water Mining”. Atacama Salt Flat Between Climate Change and Eco-extractivism
17:00-17:30	Cristian Olmos Herrera, M. Zwartveen	Transformation of the local autonomy of rural communities in the process of mining expansion: Water governance in the Atacama Desert, Chile
17:30-18:00	Mirja Schoderer, M. Ott	What makes the lid blow off? Understanding the dynamics of water and mining conflicts by looking at remote and proximate conditions
18:00 h	End	

Day 2 – 09. October 2020

09:00 h	Start		
09:00 h	Welcome		
09:15 h	Presentation Session 3 – Procedures		
	09:15- 09:45	Lucas Gilsbach	Understanding water risks at mine sites – A foundation for solving complex challenges
	09:45- 10:15	N. Robin Kuranel	Water Governance in Mining Regions: A Comparative Study Between Chile and Peru and the Role of Desalination Plants
10:15 h	Presentation Session 4 – Power structures and critical perspectives		
	10:15- 10:45	Yvonne Kunz, J. Hein	Water justice in the Kendeng Mountains - A successful struggle for conservation?
	10:45- 11:15	R. Tiamono, V. Ariyanti, S. Rahadiansyah	Governance of Sand Mining in Volcanic River Basins. Case of Progo and Opak Basins, Indonesia
11:15 h	Break		
11:45 h	Panel discussion		
	Panelists (<i>tbc.</i>):		
		- Yannic Kiewitt (BMZ)	
		- N.N. (GIZ)	
		- Dr. Milagros Sosa Landeo (Wageningen University)	
		- Achim Constantin (BGR)	
		- Rebecca Heinz (Germanwatch)	
12:45 h	Wrap up		
13:00 h	End
