CONSOLIDATING THE EU-LATIN AMERICA CO-OPERATION ON RAW MATERIALS:

EU-LATIN AMERICA MINERAL DEVELOPMENT NETWORK PLATFORM (PART II)

The MDNP platform: How it will be developed

The Mineral Development Network Platform (MDNP) will:

- ✓ facilitate continuous and structured **cooperation**
- ✓ in the **non-energy extractive industries**
- ✓ between the **EU and Latin America** (Argentina, Brazil, Chile, Colombia, Mexico, Peru, Uruguay)

- creating **win-win** situations;
- promoting the development of cutting-edge technologies, business prospects;
- **reinforcing the dialogue** between the two strategic partners.

1. Development of the architecture of the MDNP platform (fully functional by mid-Jan2018)
 - Design of the full architecture of the platform (mid-July2017)
2. Testing of the MDNP by test group (~Nov-Dec2017)

DEVELOPMENT OF THE MDNP PLATFORM

Technical Aspects:

- URL: www.mineralplatform.eu
- Available in 3 Languages (EN, ES, PT).
- Adapted to mobile and tablet devices.

DEVELOPMENT OF THE MDNP PLATFORM

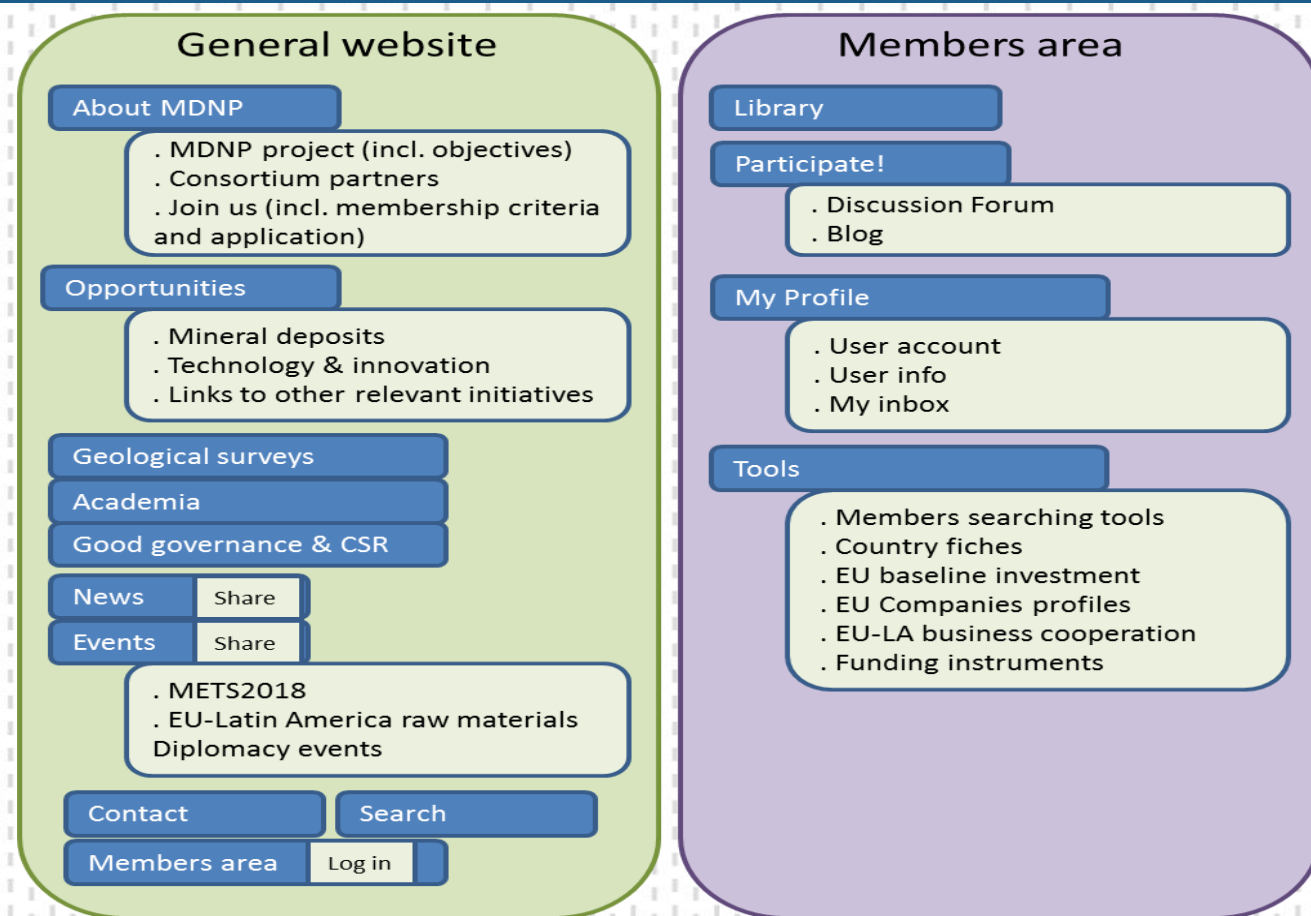

- **MDNP Platform areas:**

- ✓ **General website**

- . Publicly accessible to all stakeholders.
- . Relevant info about: the project, the extractives industries sector and latest news & events.

- ✓ **Members area**

- . Accessible to registered members.
- . Main collaborative area: networking tools, high-valuable outputs elaborated during the project.

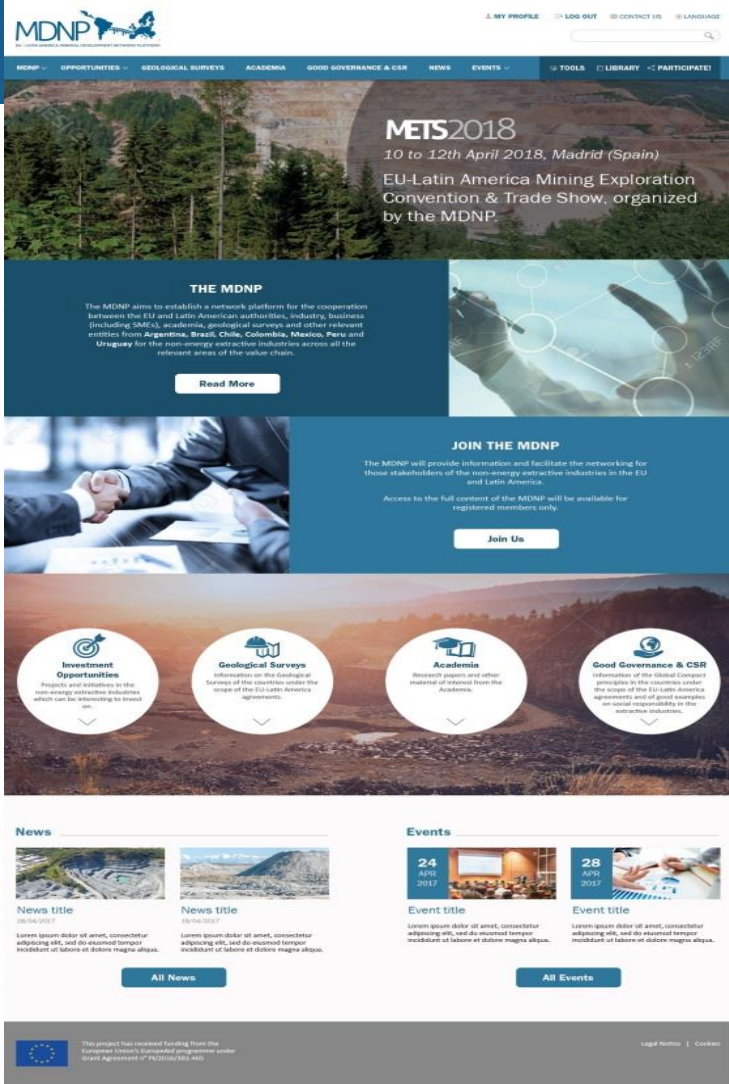

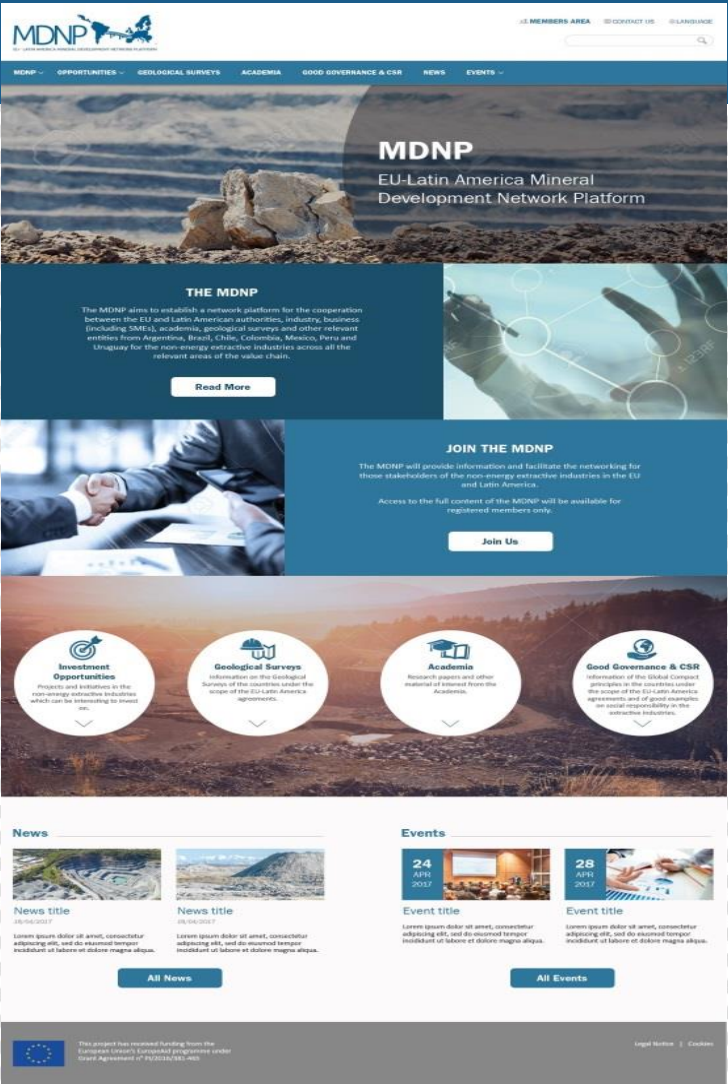

Proposed allocation of content between public and private areas (under discussion with EC)

- **MDNP Project:**
Information on
the background &
aim of the project.

The screenshot displays the MDNP website interface. At the top, the MDNP logo and navigation links (MEMBERS AREA, CONTACT US, LANGUAGE) are visible. A red box highlights the 'MDNP' dropdown menu, which contains links to 'MDNP Project', 'Consortium Partners', and 'Join us'. Below the navigation bar, a large banner image shows a rocky landscape with the text 'MDNP · MDNP project'. To the left of the banner, there are four circular icons: 'BACKGROUND' (top left), 'OBJECTIVES' (bottom left), and two others (top right and bottom right) that are partially obscured. The 'Objectives' section on the right contains the following text:

Objectives

The aim of the MDNP project is to bring together, building on existing multilateral cooperation, all relevant stakeholders from entities and disciplines linked to the non-energy extractive industries in the EU and the Latin America countries Argentina, Brazil, Chile, Colombia, Mexico, Peru and Uruguay.

Target groups are the EU and Latin American authorities, industry, business (including SMEs), academia, geological surveys and other relevant entities for the non-energy extractive industries, in the fields of technology, consulting services, infrastructure, investment, trade, training and skills, health and safety, good governance and other relevant areas of the mining value chain (from exploration to mining, rehabilitation and post-closure).

MDNP project will thereby support a continuous and structured cooperation between the EU and Latin America, reinforcing the dialogue, promoting cutting-edge technologies, strengthening business, institutional and academic ties and opening new business prospects, thus leading to win-win situations between the two strategic partners.

On the basis of an ad-hoc comprehensive **analysis** of the EU and LA extractive sector, the **Mineral Development Network Platform (MDNP)** will be designed to enable spaces for networking, information gathering and exchange of best-practices.

At the bottom of the page, there are two European Union flags and a text box stating: 'This project has received funding from the European Union's EuropeAid programme under Grant Agreement n° PI/2016/381-465'. To the right of the flags, there are links for 'Legal Notice' and 'Cookies'.

Description of the
Consortium partners &
project Core Team

The screenshot displays the MDNP website's 'Consortium' page. The header includes the MDNP logo and navigation links such as 'MEMBERS AREA', 'CONTACT US', and 'LANGUAGE'. The main content area features a grid of circular icons representing consortium partners, including Eduardo Alfonso Chaparro Avila, Projekt-Consult GmbH, Euromines, Zabala Innovation Consulting, and DMT GmbH & Co KG. A sidebar on the left shows a profile for Eduardo Alfonso Chaparro Avila, identified as an 'Expert and Researcher'. The right side of the page provides detailed information about Projekt-Consult GmbH, including its role as a consortium leader and its membership in the GFA Consulting Group. Below this, the 'Project Core Team' section introduces Dr. Aissa Rechlin as the Data Analyst Expert, detailing her background and current work on the STRADE project. The footer contains logos for the European Union and the German Government, along with funding information and legal notices.
